### Tribute Details

- In honor of GEOSOX - We transform important maps into **gifts** that are accessible, artful, comfortable, and fun.

### Comments Added

GEOSOX supports of Michigan **SeaGrant**. We transformed their watershed map into a 1000-piece puzzle to raise money for their efforts. You can find it on the [misesgrant.com](http://misesgrant.com) webstore.

Thank you again for your **gift** to the University of Michigan.

Tribute Gift honoree's name:	The Wisconsin era glaciation that pulsed over all of Kane County giving us the variety of habitat and topography that we enjoy in our many forest preserves to this day! (This is a joke, but nonetheless true of my intent to provide Ice Age Era signage to our parks and preserves. :-)
